WHO WE ARE:

- For over two decades, Patriot Restoration has provided premier disaster recovery services to residential and commercial properties across East Tennessee. We specialize in water, mold, and smoke mitigation, delivering efficient and effective solutions to restore safety and functionality.
- Our core services include water extraction and drying, mold remediation, and smoke damage mitigation. Using advanced technology and proven techniques, we ensure thorough remediation, preventing further damage and restoring properties to optimal conditions.
- We understand the unique challenges involved in disaster recovery. Our team adopts a personalized approach, collaborating with stakeholders to understand specific needs and priorities. Through clear communication and expert execution, we deliver tailored solutions that meet and exceed expectations.
- Our highly trained and certified technicians use state-of-the-art tools and techniques to ensure precision and reliability in every project. With a focus on quality and safety, we deliver results that align with the highest standards in the industry.
- Recognizing the urgency of mitigating damage, we are available 24/7 to respond to emergencies. Our rapid deployment capabilities and streamlined processes ensure minimal disruption, allowing operations to resume as quickly and safely as possible.
